4th September 2018

Dear Parents/Carers,

Welcome back to a new school year at St Augustine's. I hope you enjoyed a wonderful summer, and I very much look forward to meeting you all and working with you over the next few weeks and months. The emphasis this week and over the next few weeks is on developing relationships, ensuring that all pupils settle in happily and get used to new routines. This is a Catholic community, where we care and support one another, and this is a key message for us all. The following is a quote from the prophet Micah regarding what God wants us to do, which I have shared with members of the school community.

Can I also mention that there is an Eucharistic Pilgrimage and Congress this weekend in Liverpool. The theme is 'Adoremus'. This will involve a gathering of clergy, religious and laity, and the aim is to promote an awareness of the central place of the Eucharist in the life and mission of the church. We will be developing this theme with the children, during this academic year.

In due course, you will receive information about your child's curriculum and classroom routines. Please support your child and his/her teacher in every possible way. I have attached the key policies which ensure that children feel safe and secure, and ready to learn. It is important to have a read through to remind yourselves.

I will be in regular contact as always.

With kindest wishes for the year.

Miss M Kelliher
