4th September 2019

Dear Parents/Carers,

Welcome to a new school year at St Augustine's. I hope you enjoyed a wonderful summer, and I very much look forward to meeting you all and working with you over the next few weeks and months. It was wonderful to meet so many of you this morning and all the children looked very smart and ready to start the new year.

The emphasis this week and over the next few weeks is on developing relationships, ensuring that all new staff and pupils settle in happily and get used to new routines. This is a Catholic community, where we care and support one another, and this is a key message for us all. I spoke to all the children this morning and we were talking about what made us happy. We found ourselves discussing being with other people, friends, family and people who love them. This is an important way to start the new academic year – feeling safe and loved in school makes the children more comfortable and ready to learn.

In due course, you will receive information about your child's curriculum and classroom routines. Please support your child and his/her teacher in every possible way. I have attached the key information, which will ensure that children feel safe and secure, and ready to learn. It is important to have a read through to remind yourselves.

One point of order is that unfortunately, due to ever increasing costs, the price of school lunches has risen to £2.30 per day/£11.50 per week. Please do ensure that school meals are paid for in advance. Thank you.

As I am new to the school, I would like to invite you to an introductory meeting on Wednesday, 25th September 2019 at 5pm in the school hall.

If you are able to attend, please email the office.

I look forward to meeting more of you throughout the course of the term.

Yours sincerely,

Mr. M. Kincaid
